12/24/97

Dear Hal,

As Dr King said, "Longevity has its virtues."

Nice to know that Jacob Cohen, "the lone assassin buff", is still around and "closing cases"! I think you wrote about Cohen.

Rumor has it that Posner is writing a book on the King Case. Another case closed.

Next he'll tell us Caesar and Lincoln were killed by "lone nuts."

Best Wishes To You You and Lillian in 98. Tell Lillian we Mayflower descendents must stick together. My ancestor Captain Edward

Williams carried slaves on his ship.

But the greatest of French poets, Rimbaud, was a slave dealer!

O Dave always wondered about the Wallace shooting. For Nixon to win Wallace had to be out of race. And Nixon wanting Hunt to plant bgt wing stuff in Bremer's apartment." --- • "

Oliver Stone implied in Nixon, that Nixon had guilty knowledge. Of 11/22/63.

Of wild Cubans were involved, a not impossible theory but he may have only heard rumors.

Nixon wrote a letter to a Judge to keep Kelley Senior and was tight with the most extreme right wing Cubans.

He also stumbled in a News conference and denying wiretaps and said in effect, a wiretap on LHO might have picked up "the Oswald Plan." Pieces nothing but suggestive.
